No. 17

What a difference a week makes!
There is such a change in the weather from this time last week when the children were enjoying playing in the snow, making snowmen and throwing snowballs. The wind and the rain make it fairly unpleasant to be outside at the moment whereas last week it was enjoyable to be out.

HEAD LICE

Unfortunately we seem to have a problem with head lice once again. It has been noticed that several of the children throughout the school have head lice and, as you know, they spread very easily to other children.

Please, please could we ask that you check all your family's heads and treat them if you see any signs at all of head lice? On the back of this newsletter is how you can tell if any of the family has head lice and what to do about it.

Let's all work together to try and get rid of head lice once and for all!

GOLDEN BOOK

The children nominated in the Golden Book this week were :
Justus Duodu Owusu, Jamie Emm, Dani Gray, Molly Hull, Jordan Hoey, Alex Murphy, Kyle Reeves

ATTENDANCE

The class with the best overall attendance last week was 92.3%

ELEANOR BEAR

Eleanor is visiting Year 2 this week as they had the highest percentage (94%)

of children in full school uniform - including indoor shoes - last week.

LET'S GROW

The Let's Grow scheme being run by Morrison's has now finished and we have put our order in for a wheelbarrow, a weather watch device, watering cans and some seeds. We await delivery!

FRUIT SNACKS

A reminder for the families of children in Key Stage 2 that fruit is available every breaktime at a cost of 10p per day. This can be paid daily or weekly and remember this will help your child achieve their '5 a day'!

AFTER SCHOOL CLUBS

We are delighted with the response to the after school clubs we are offering this term. Gymnastics is full with a waiting list and you will have received a letter on Friday saying whether or not your child has a place.

Dance and Badminton clubs are also now full, so please do not send any more slips in requesting a place at one of these clubs.

We have a few places left at MK Dons After School Club.

HOUSE POINTS

Last week's house points :

Diamond : 204

Emerald : 194

Ruby : 200

Sapphire : 202

Well done Diamonds!
