Any instances of such behaviour will be dealt with immediately and in a manner that ensures all other children in the school are safe and do not have any disruption to their learning and that staff are able to carry out their jobs knowing they are working in a safe, supportive environment.

Well done, Diamonds!

LATE ARRIVALS

A reminder that all children should be in school and in their classroom by 8.45 a.m. each and every morning. If you are unavoidably late one morning, we will escort your child to their classroom from the front office. We are re-introducing this as part of our continuing and continual focus on the safety of all the children in our school.
