#### TRIPS AND VISITS

Still trying to catch up on trips and visits that have taken place recently ....

#### AIM HIGHER - UNIVERSITY OF BEDFORDSHIRE

A group of children from Year 5 recently visited the Luton campus of the University of Bedfordshire to find out at firsthand what university life is like. At the end of their visit they had a 'graduation ceremony' attended by the Vice Chancellor of the University.

*At the University I enjoyed the activities; we had to make a t-shirt and present it. Whoever made the best won a prize which was a bear and a mini white board. At lunch time I didn't like the pizza because it had onions on it!*  
Nathan Deakin

*We had a tour of the University - they have over 3000 computers. They have no rules so you can go out of the class when you want. The students made their own video games. Most of them had robots. For pudding at lunch time we had a coke and fruit.*  
Luca Jenkins
