Please see enclosed letter.

From next **Wednesday, 26<sup>th</sup> September** at 3pm Adult Continuing Education (ACE) will be running a Family Fun Course at Queen Eleanor. There will be a free crèche for younger children and free refreshments too. **All are welcome.**

## RAMADAN

We are aware that the special time of Ramadan has started and that some of our families will be observing this important period. Please let us know if we can help you in your observance and especially if any of your children will be fasting.

## MK PARENT PARTNERSHIP INFORMATION

A Parent Partnership box is available in school with information and guidance on Special Needs and general school issues. Please ask at Reception if you wish to see it.

## GOVERNORS

While Mr Kite and the Leadership team decide how the school operates on a day-to-day basis, we have a Board of Governors who decide the direction the school should take. There are about a dozen Governors who include parents, people from the community, staff and people nominated by the Council.

They meet all together once a term and at other times as subcommittees looking into Finance, Personnel and Buildings.

Following the resignation of Mrs McKoy, whose children have just moved to secondary school, we now have a vacancy for a parent Governor. If you are interested in finding out more about this role, please contact Mr Kite or Ms Lockhart. We will ask candidates for two parents to support their nomination. If we have more than one parent nominated we will have to hold an election. Nominations forms are available from the office and should be returned by Friday, 28<sup>th</sup> September.

## RING OF STEEL

You will have seen in the local press about the steel sculptures of faces to go around the new MK Dons Stadium. It is hoped that the ring, as well as having adults, will also have images of many of the Milton Keynes school children.

We will be supporting this project and will be sending out details and permission slips in the next week or so.

## ART WORK

We have just learned of an art project, in conjunction with the Rowans Centre, to produce banners designed by our children. The banners will hang in the Rowan Centre and in school. More details to follow soon.
