Thank you for all those parents who came to the Year 3 Class Assembly before half term. It was encouraging to see so many of you supporting your children in what can be a nerve-wracking experience. Well done to Year 3.

CHILD PROTECTION

Sadly the school has had on a number of occasions to react to concerns about the way some of our children are treated by adults.

Most recently we received reports from two neighbours about children being ill-treated by their parents. I regret that their fears were real but pleased to tell you that Children's Services and the Police visited the home on the same day we reported it.

I would like to thank the two good neighbours for sharing their concerns. We will always take very seriously any worries parents have about their own or neighbours' children. We will also do our best to guarantee anonymity.

I would also remind you that we conduct rigorous enquires when we employ new staff.
